Customer Reviews

A good range of dishes, great pictures and easy to follow instructions, so many new ideas to choose from. Some of the terms are American, but it is easy to substitute UK products.

Super easy for me to make any of the delicious recipes! Excellent and yummy recipes, I can't wait to make the dips! I don't know how to cook, this book makes me look good!! So many recipes, great for the money!

Great comfort food recipes. Reminds me of back in the day. Mom with her apron on cooking in the

kitchen while we watched the Micky Mouse Club.

My wife loved this book. She loves to try new cooking ideas, so this was great for her. I enjoyed her meals from it.

One of my friends loves velveeta cheese, so this was a great recipe book. We already made a dip that was fabulous.
