Residential Construction Academy: Carpentry

Synopsis

Developed in partnership with the National Association of Home Builders (NAHB) and its Home Builders Institute (HBI), this book offers a visual, step-by-step approach to learning how to build a home, while guiding you through the development of essential workplace skills. RESIDENTIAL CONSTRUCTION ACADEMY: CARPENTRY, 4E is constructed within a modular design, with current and concise information crafted logically to help you master the skills you need for professional success. From start to finish, this book systematically steps you through the construction industry, and the carpentry techniques, code requirements, and best practices associated with constructing a residential building, including coverage of tools and materials, rough carpentry, exterior and interior finishes and more.
