2012 International Plumbing Code (Includes International Private Sewage Disposal Code) (International Code Council Series)

Synopsis

With an emphasis on design and installation for optimum performance, the 2012 INTERNATIONAL PLUMBING CODE SOFTBOUND VERSION sets forth established requirements for plumbing systems. This important reference guide includes provisions for fixtures, piping, fittings, and devices, as well as design and installation methods for water supply, sanitary drainage, and storm drainage. The 2012 edition of the code includes the 2012 INTERNATIONAL PRIVATE SEWAGE DISPOSAL CODE, a companion guide that offers additional provisions for the design, installation, and inspection of private sewage disposal systems. Using both prescriptive- and performance-related specifications, this code provides comprehensive minimum regulations for a variety of plumbing facilities, facilitating the design and acceptance of new and innovative products, materials, and systems. Check out our app, DEWALT Mobile Pro[®]. This free app is a construction calculator with integrated reference materials and access to hundreds of additional calculations as add-ons. Customer Reviews

If you are in the plumbing industry or planning to be this is the book you will need to memorize. It is a code book and they can be difficult to understand. This book was priced well below the bookstore at my school and was delivered very fast

This code book is a MUST HAVE for all plumbers and drain cleaners, if you want to keep on the inspectors good side, have this with you on every jobsite.

It's gripping from cover to cover, I can't put it down...It is definitely a must have if you like this kind reading...

Excellent product just as displayed! Fast delivery!!! reliable & I recommend!!! thank you! Will buy again!!!

This product was absolutely amazing. The description posted was very accurate. The price for the quality was amazing. An added bonus, it was here before I expected! A very happy buying experience.

Very good book to refer to and works good for the plumber program at ur local college. It's what they go by and cheaper then buying it from school

Using on a current project to eliminate any questions in regards to plumbing codes.Highly recommended Great Price Great Purchase

great reference book for looking up codes for your areas, easy to use table of contents, a must have for your service truck
