## Customer Reviews

As a truly uninspired cook, I have to admit I am hopelessly addicted to cookbooks. I love imagining the entrees, the rich desserts, casseroles, homemade soups and stews that look so enticing in the photographs. Unfortunately, my intentions don't translate well into action. Neither do I often review cookbooks, but I am trying something new with this cookbook in the hope that I will progress from imagination to deed. The Rotisserie Chicken Cookbook meets the needs of this very conventional cook, hopefully infusing my lackluster meals with more creative ingredients. Winner of the 47th Annual National Chicken Cooking Contest, Anderson has built all these recipes around the core ingredient, precooked rotisserie chicken. Having solved the most critical part of the decision- the main ingredient- I'm almost home- almost, not quite. Stopping by the introduction, I am informed that I must adapt my rotisserie chicken to the recipe (separating meat from bones, when to use a boning knife, preparing my own chicken stock, etc.). Too many trips to Trader Joe's have made me lazy. But there are examples of the recipes inside in the front of the book, full color pictures of a variety of the offerings in the various sections and a table of contents that includes the vital chapters for a helpful cookbook, from appetizers to soups to casseroles and entrees, my only challenge to pick one and proceed beyond a grocery list of necessary ingredients. Among the many choices: Sweet

Pepper Relleno Poppers, Monte Cristo Minis, Chicken Tostada Compuesta, Grapefruit Chicken Salad, Chicken and Escarole Soup, Moroccan Chicken, Parmesan Chicken and Eggplant Bake, Chicken and Fig Casserole, Chicken and Asparagus Crepes, Chicken Artichoke Frittata.
