Synopsis

The first edition won a prestigious International Association of Culinary Professionals (IACP) Cookbook Award - and the second edition is even better! MODERN GARDE MANGER: A GLOBAL PERSPECTIVE was written for both the working chef and the serious student engaged in the practice and study of culinary arts. Its carefully researched information and fully tested recipes span the broad international spectrum of the modern garde manger station. Four distinct sections covering twenty chapters focus on the different aspects of the chef's required knowledge and responsibilities. This second edition includes completely new chapters on the topics of Measurements and Equipment; Modern Techniques in Kitchen Chemistry; and Raw Proteins. There are more than 800 four-color photographs more than 300 of which are new, including many finished plates, platters, showpieces and sequential step-by-steps, plus many additional recipes and expanded content on food show competition, buffet table layouts, buffet platter concepts, ice sculpting procedures and techniques and small plates and samplers. MODERN GARDE MANGER 2E is the most comprehensive book of its kind available for today's student and professional chef.

Customer Reviews

Well...I am glad I got this out of the library instead of paying the incredibly high textbook price. I got a number of similar books out of the library at the same time, and this one is the poorest. I have not attempted any of the recipes, but I am an experienced cook, and I see spelling errors and what appear to be quantity errors in quite a few of the recipes. For instance, in one recipe alone #9-16

Open Faced Vegetarian Sanger there are 2 errors. It calls for GLOBAL aubergines, instead of GLOBE. Also, the recipe calls for Anchovy fillets, and therefore is NOT vegetarian as the title implies. Recipe 7-25 Five spice beef cube with Wasabi dip calls for 1 CUP of five spice powder to be used to coat only 2 pounds of beef tenderloin. This would be totally inedible, and a big waste of expensive tenderloin. Recipe 4-39 for Thai pickled cucumbers calls for a dressing made of 1/2 cup rice wine and 2 tsp sugar with cilantro and red chiles. Is this right, or do they mean rice vinegar? I found enough questionable stuff in these recipes that I am not sure that I would trust them. Also, because this is a textbook aimed at people who may have minimal skills, there are many recipes for things that most people already know how to make, like egg salad, chicken salad, club sandwiches, etc, etc, So unless this is an assigned textbook, I recommend you get it from the library, to see if you really like it.

Great cooking reference

Great recipes with step by step instruction and pictures so you achieve the look you are striving for. Try the Chow Chow Pickled! They are amazing!

all ok.
