Customer Reviews

As I am a Pacific Islander, born in Fiji, grew up using coconuts, (family owned a coconut plantation) - oils, milk, water etc., almost every day of my life, I think Bruce Fife's *Coconut Miracle Cookbook* is excellent.!

If your looking for a companion book to go along with *The Coconut Ketogenic Diet* then you might be disappointed. I wanted a recipe book for all meals of the day.while it had some recipe's that were not in the previously mentioned book, it was mainly just a reiteration of his other book .

This book was a gift to my daughter. She was not knowledgeable on receipeswith Coconut, but I

was glad you had this "Coconut Miracle cookbook. She loved it. She loves to try all kinds of recipes...this book has given us many ideas for food to be cooked for this Thanksgiving and Christmas. Thank you much.

with a degree in nutrition this book open up a whole new world to me. I will use coconut oil in many ways that I had no idea that would better my life.

Nowhere on the cover or the back or the editorial review of the book does it say that this book DOES NOT INCLUDE COCONUT FLOUR RECIPES. Why did they leave out this important bit of information. There is a coconut flour recipes book by the same author. I thought that perhaps this will have more coconut flour recipes included. I learned that this was not the case only after buying the book.

Looks like a wonderful conclusive healthy recipes cookbook. Have only had time to use a couple of recipes and they were delicious. I know I will continue as a favorite foods book ----and healthy.

Love it, simple and easy. Prefer to have pictures.

I've used this cookbook many, many times since I've gotten it. Recipes are simple and very tasty, I always have the ingredients.
