Synopsis

Trendsetting contemporary jeweler Pamela Love invites us into her universe, revealing the obsessions and inspirations behind her cult jewelry. Pamela Love began making jewelry in 2007 in a closet studio space in New York Cityâ ™s garment district. She quickly won a CFDA award and her collection was soon stocked by the chicest boutiques around the world. Loveâ ™s creations are deeply spiritual and intuitive, influenced by astrology, alchemy, botany, and the materials and textures of the American Southwest. Her inspirations are steeped in folklore and she incorporates traditional tribal artisan patterns from North Africa, Mexican folk art, and medieval European iconography into her designs, resulting in her own immediately recognizable aura of modern and mystical inspired jewelry. In this personally curated monograph, Love presents intricate still life compositions of her jewelry with objects and ephemera, juxtaposed with photographs from her collections and snapshots from her travels. This enchanting volume will appeal to Pamela Love aficionados, all those interested in contemporary jewelry as well as those looking for bohemian fashion inspiration.

Customer Reviews

Big fan of this book and the jewelry. Pam is a great friend to my sister so we have been supporters from day one. Truly inspired by the development of her Jewels throughout the years. Great photos throughout

Pamela Love has a unique "eye" that great artists and fashion photographers keep tucked away

"backstage". Who mixes their paint colors? Who has Pamela set up the background shot and accessorizing models wearing designer clothes for a Vogue shoot? If those famous people recognize Pamela’s "Eye", I just can’t see why anyone wouldn’t want to see through Love’s "eyes".Paul Sussman

The way it was printed very washed out

I love this brand and your inspirations are very similar with my worldAnd I have a lot of things of this brand... rings, cuffs and necklaces
