I love this recipe book. I want to make everything in it. The pictures are great and there is a great mixture of recipes. Definitely not just for Christmas either.

This is a good cookbook, but then I am a fan of Gooseberry Patch. I have come across some recipes that are somewhat the same, that's fine with me. There is a lot of new ones.

I love my Gooseberry Christmas books. They provide many wonderful recipes and craft projects.

Everything looks so good. I don't know which recipe to start with!
