The Frugal Gourmet Celebrates Christmas

Synopsis

In his latest book, Jeff Smith provides dishes and tradition for every aspect of the holiday season. To celebrate the feast itself, he offers his family recipe for roast goose, then a pot roast and latkes for Hannukah, a roast lamb the shepherds might have eaten, mince pie, gingerbread men, mulled wine, and more. He also devotes a section to the traditions, from mistletoe to stockings to carols. Color photos throughout.

Customer Reviews

I know...I know, thinking of Christmas!??? at this time of year! well, maybe Christmas in July! lol!
This book is filled with great recipes, history and tradition for any holiday! Jeff Smith spoke about interesting traditions and origins on his entertaining PBS show. Before 'The Food Network' we had the witty and talented 'Frugal Gourmet'. This book deals with some grand feasts and some very good classic family dishes. From fancy to "just great traditional family food"! This book has a lot to offer. This one has lots of illustrations and family stories. Something the world seems to be missing these days is time spent in the kitchen with the family preparing meals for "get together". Make time for this book, your family and friends! Even if your not a "religious" person these are words to live by. This is yet another excellent cook book by Jeff Smith! It's full of great recipes and stories by a very talented cook and writer. This one focuses on old world cooking. I have used many of these recipes and found them to be very good. Being a home grown cook myself and having had many of my grandmother's classic recipes handed down to me, I found this book to be very helpful in

expanding my culinary taste buds. Jeff Smith entertained us for years on his PBS program 'The Frugal Gourmet'. Not only did he teach us many savory dishes, he also educated us. Not satisfied with just cooking delicious meals for his viewers, he would give detailed history lessons about the origins of the dish and made it all a lot of fun! This may be Mr. Smith's best cook book and it is a worthy edition to everyone's cook book library. I own and have read many, if not all of his cook books, not only for the man's knowledge of cooking, but his incredible wit!
