## Customer Reviews

Having a cat myself, this book was a definite help. Now I know how to solve his behavior problems and eating disorders. This book reinforces the thought that animals need love and attention as much as we do. I hope that "No Naughty Cats" will come in handy for others who have cats or are wanting to get one. I know they'll find this book really helpful!!

If any of you have have owned or crossed paths with a cat, this book is for you. this book gives great insight to a cats mind and also give great advice. I am buying a copy for my brother.
