Customer Reviews

I am addicted to all that is Williams-Sonoma, and this book doesn't fail. Its full of useable recipes and colorful pictures. The directions are clear and the ingredients are obtainable. I saw this book in the Williams-Sonoma store at a much higher price, I was thrilled to find it new from this seller at a lower price. I've made numerous smoothies, even for my kids, who are normally extremely picky eaters.

I have many of the William Sonoma series books. This was a huge disappointment, especially since i had just purchased my VitaMix and pre-ordered this book shortly thereafter. It's a small book with

very few recipes. Was contemplating sending this back, but not worth the trouble.

great
